"Leading the Way"

Final exams are quickly approaching. Please ensure your child is at school these last few weeks as we prepare for and take final exams. The exam schedule is as follows:

	During Class June 10-14	Wednesday June 12	Monday June 17	Tuesday June 18	Wednesday June 19
Grade 6	LA		Math	Science	Social PAT
Grade 7	Science		Math	LA	Social
Grade 8	Social		LA	Math	Science
Grade 9		LA PAT	Science PAT	Math PAT	Social PAT

*If you need a reader for the exam, please arrange ahead of time.

This year the grade 6 class has been using the new Alberta Curriculum for Math, Science and LA. As a result, they will not be taking Provincial Achievement Tests in those subjects. Instead, they will be taking a field test that will be counted as a final exam toward their grade but not recorded by Alberta Education. Social will be a regular PAT for the grade 6 class.

On June 17-19, students will only need to attend school for the duration of their exam. They may stay at school if they would like to quietly study in a classroom, but there will be no instruction or activities planned for the afternoon on these days. If your child is leaving the school after their exam, please notify the school or have them bring a note. Buses will run at their regular times.
