"Leading the Way"

May 30, 2025

Final exams are quickly approaching. Please ensure your child is at school these last few weeks as we prepare for and take final exams. The exam schedule is as follows:

	Thursday June 12	Friday June 13	Monday June 16	Tuesday June 17	Wednesday June 18	Thursday June 19	Friday June 20
Grade 6	LA part B PAT	Math PAT part A	Waterton day	Math Part B PAT	Social PAT	Science field test	Cleanup, Awards Assembly @ 9 am, activity, anticipate early dismissal (TBD)
Grade 7	No exam	Social		Science	LA	Math	
Grade 8	No exam	Science		LA	Math (no K&E)	Social	
Grade 9	LA part B PAT	Math PAT part A		Math Part B PAT	Social PAT	Science PAT	

This year, the grade 6 Science class will write a field test instead of a Provincial Achievement Test.

Alberta Education sets the PAT exam schedule, and we arrange our other exams around it as best we can. This year, the result is a full day on Monday for us to go to Waterton. We hope students will take the chance to come with us and recharge between exams.

The last day of regular classes will be Wednesday, June 11. On exam days, students should only attend school if they have an exam scheduled, and may leave when they are done writing. For those who stay, there will be no direct instruction planned, but teachers will be available to help students study. There will be no hanging out in the gym or on computers. If your child is leaving the school after their exam, please notify the school or have them bring a note. Buses will run at their regular times.

While staffing changes are always fluid, I thought I would let you know that our anticipated teaching staff for next year is Mr. Barfuss, Mr. Scott, Mr. Selk, Mrs. Pitcher, Mrs. Bevans, and Mrs. Kendrick.
